Entrance to Hall 4: Gate 42 (5.20 m wide and 3.80 m high, suitable for truck entrance)

Floor load, Hall 4: 20.0 kN per square meter, entrance area: 7.5 kN per square meter

TEST CAMP APP

Starting in March, the app will offer a lot of information such as, program, exhibitors, visitors, and networking opportunities.

APP link: <https://test-camp-intralogistics.lineupr.com/2024>

GENERAL INFORMATION

- Booth construction and equipment, power connections and logo banners for booked boxes are controlled by the IFOY organization. The exhibitor/IFOY nominee is responsible for the set-up of equipment and solutions.
- Booth construction on the booked test and driving areas is only allowed if it is technically necessary.
- Each company is responsible for loading and unloading in the Hall. Messe Dortmund or the IFOY organization do not assume any responsibility for possible damages.
- No loading ramp is available on site. We recommend ordering the forwarding service on site.
- Exhibitors are responsible for their packaging material (no packaging material may be stored in the hall during the event). We recommend contacting the freight forwarding service (for large items) or using the TEST CAMP on-site hand storage for items placed on normal pallets (see exhibitor store).
- Socket extension cables, adapters, tools for setting up the test set and technical equipment required for operation must be brought by the exhibitor.
- Free WLAN is available throughout the hall. For your own WLAN network or LAN connection, please contact us.

HIGHLIGHT TOURS

The highlight tours will take place on April 10 and 11, 2024 (see app for dates). The aim is to give B2B visitors in small groups an overview of the innovations on exhibition. IFOY finalists and exhibitors can briefly present their innovations (time limit: max. 3 minutes) and then invite visitors to the booth for individual testing. The dates for the tour start are published in the app.

FORWARDING PARTNER

For transports to and from Dortmund we recommend the IFOY logistics partner LTG - Landauer Transportgesellschaft Doll KG.

For a transport offer, please contact:

LTG - Landauer Transportgesellschaft Doll KG
Mr. Gerhard Kampa
Robert-Bosch-Straße 9d
85748 Garching-Hochbrück
T +49 89 320093-132
